### END USER TERMS ("Agreement")

1. **General:** Access to the Application via your mobile device is powered by the proprietary mobile technology solution owned by PSCU (the Licensors). These End User Terms Agreement constitute a legally binding agreement between you ("you", "your", "user") and Thrivent Federal Credit Union (collectively referred to herein as "Credit Union", "our", "we" or "us") and describe your rights and obligations as a user of this mobile credit card application (the "Application") made available to you by the Credit Union.

The Application may be used by you to access your Credit Union credit card Account(s) (the "Account") for various services that may be added to, reduced or modified by us from time to time without prior notice, except as required by law, including without limitation: viewing your credit card transactions, making payments, notifying us if your card is lost or stolen and disputing credit card transactions (all such services as they may be added to, reduced or modified are collectively referred to herein as "Services").

Please read this Agreement carefully before you start to use the Application. By using this Application, you accept and agree both on your behalf and, if applicable, on behalf of any joint owner or Authorized User of the Account, to comply with the terms and conditions of this Agreement, including any amendments and supplements to this Agreement and any changes thereto, any other documents they expressly incorporate by reference, and any other terms and conditions that may also apply to specific portions, services, or features of the Application or Services as well as the following, all of which are incorporated by reference and considered part of this Agreement:

- Terms or instructions that are provided to you or appear on a screen when enrolling for, activating, accessing or using the Application or Services;
- The Credit Union's rules, procedures and policies that apply to the Services, the Application and your Account;
- The rules and regulations of any funds transfer or payment system used in connection with your Account; and
- State and federal laws and regulations, as applicable.

Your Account will also continue to be subject to any other agreements, documents and disclosures related to your Account ("Account Documentation"), and you and we agree to be bound by and comply with the terms of such other Account Documentation. Unless this Agreement specifically states otherwise, if there is a conflict between the terms and conditions contained in this Agreement and the terms and conditions of any other Account Documentation between you and us, or any other such agreement has terms that are not specifically addressed in this Agreement, then the other agreement will control and take precedence. The other agreement will only control with respect to the Account or Service it is associated with, and only to the extent necessary to resolve the conflict or inconsistency. Additional provisions regarding services or features that appear in the specific Account Documentation for your Account, but that do not appear in this Agreement, will apply. As an exception to the general rule described in this Section, if any other Account Documentation you have with us includes terms that address your mobile access to your Account, this Agreement will control and take precedence in resolving any inconsistencies between this Agreement and the terms in the other agreement that address mobile access.

Your registration may be accepted or declined by our Licensors and/or us based on specific criteria. If you do not agree to the terms and conditions of this Agreement, do not use the Application. If you do not accept and agree to all of the terms, you will not be entitled to use the Application. You can review, download and print the most current version of this Agreement at any time at
